# JOSHUA LEWIS

3D Animator

## PERSONAL STATEMENT

If I had to define myself in one word, it would be 'receptive.' I'm deeply fascinated by observing how things work, particularly human and animal behavior and gestures. This curiosity has guided me toward a deeper understanding of character motivation, sharpening my skills to create engaging, emotion-provoking moments. Through my experience collaborating with diverse teams, I've come to value the importance of staying open and receptive to outside perspectives.

## WORK EXPERIENCE

### - Animation Club President

Gnomon School of VFX | Sep 2023 -Jan 2025

- Introduced peer review sessions to improve students' eye for animation and skills through community feedback.
- Invited industry guest speakers to provide insight and techniques.
- Organized short animation challenges to foster creativity amongst students.

### - Pre-K Creative Learning Facilitator

Whizz Kids Academy | May 2016 - Dec 2018

- Designed engaging activities to help children express emotions through art.
- Managed unpredictable challenges while keeping a positive attitude.
- Collaborated with teachers, parents, and children to develop immersive and engaging learning experiences.
